To my valued patients:

Re : Relocation of my Medical Practice

I am writing to inform you that effective April 5, 2021, I will relocate my medical practice to **Westside Medical Associates** Clinic (please note all the contact information above). My last day of seeing patients at Vintage View Medical will be March 30, 2021.

I hope to continue to serve as your family physician at my new location and your medical files will be transferred to my new location.

Vintage View Medical will not be able to accept any patients in my practice once I depart. If you are unable to follow me to my new office at **Westside Medical Associates**, you can contact the Central Okanagan Division of Family Practice (CODFP) and complete an application for their “Find a Doctor” program. If you decide to transfer to a different medical practice, I would be happy to forward your medical charts to your new physician once I received an authorization from your new physician. Please contact me directly at my new location for that.

I hope to make the transition as smooth as possible for you. I would request that you kindly make a follow up appointment with me at **Westside Medical Associates** if you have any pending test results after March 30, 2021.

I thank you for entrusting me with your medical care and I am very confident that you will be delighted and well served at my new location.

Sincerely,

Dr. Lilian Shyman
